

LauriShield Activated Skin Barrier Kit

LauriShield Skin Barrier Kit

Formulated to protect your skin's natural microbiome & pH as it heals. Support the essential acid mantle of the skin without the use of parabens, mineral oil, phenoxyethanol, or petroleum ingredients.

Wash, Hydrate, and Protect during the day with **LauriShield Activated Foaming Wash, DermaLotion & Skin Ointment.**

- Wash & clean the skin daily using the Lauricare foaming wash.
- Allow skin to dry & apply the fast-absorbing DermaLotion liberally to affected body regions. Reapply as needed.
- Use the LauriShield Activated Skin Ointment at night to more targeted skin areas of extra dryness or irritation. The skin ointment is richest in moisture-saving emollients for advanced skin support.
